Lawtrac
4.2.2 Patch 7
Release Notes

Lawtrac 4.2.2 Patch 7 (PLT4220007) resolves the following issues:

Issue: Opposing Firm is not returned unless the *Include Only Opposing* checkbox is checked.

Tracking code: LSP-10356

Support case: 2017-0720-386491

Issue: The *Keyword* dropdown menu within matters contained all possible keyword types instead of only having the keywords associated with the matter type.

Tracking code: LSP-11163

Support case: 2017-1020-407313

Issue: Messages added to a Hold Notice were immediately sent when **Add Message** was clicked.

Tracking code: LSP-9807
