

Release Notes

Document ID: fm_5_0_rn_1

This document details the upgrade information, new features, resolved issues, and known issues that are included in Financial Management 5.0.

1 System Requirements

To install TeamConnect Financial Management 5.0, you must be running TeamConnect Enterprise 5.0 or later.

TeamConnect Financial Management 5.0 is compatible with the following optional TeamConnect products:

- TeamConnect Legal Matter Management 5.0 or later
- Collaborati Spend Management 5.0 or later

2 Installing Financial Management

You must have administrator rights to install Financial Management.

To install Financial Management 5.0

1. Click the **Admin** tab, and then click the **Admin Settings** link.
2. In the left pane, click the **About** link.
3. In the **Available Updates** section, click the **Show updates available for installed products** button.
4. From the **Financial Management 5.0** row, click the **Install Now** link.
5. Restart TeamConnect.

3 Changes and Enhancements

The following issue(s) have been fixed in Financial Management 5.0. Each resolved issue is documented in the following format:

- A description of the change
- Internal tracking code, if available
- Salesforce case number, if available

Issue: Financial Management 5.0 now has updated settings page for a more modern User Interface and better adherence to 508 compliance.

Tracking code: TC-537
